

4 pole Changeoverswitch 63A I-0-II

SF463

Technical Properties	
Rated current	63
Frequency	50/60 Hz
type of connection	with screw
Connection cross-sect. rigid cable	25mm²
Connection cross-sect. flexible cable	16mm²
Number of mechanical operations	100000
Electrical durability at nominal load in AC21in operating cycles	5000
Operating temperature	-20 to 50 °C
Storage temperature	-40 to 80 °C
Protection index IP	20
Number of modules	8
